

Calling anyone that would like to help with the Chemo Kits for Cancer patients.

The Destin United Methodist Women have been making Chemo Kits since 2004 for people to receive when they go in for their chemo treatments. Jan Hinch, a cancer patient began this project. We delivered kits on April 23 to the Sacred Heart Cancer Center and Ft. Walton Beach Cancer Center.

Items in the kits are: water, Carmex for chapped lips, hand sanitizer and lotion, mints, angel pens for women and angel book mark for men, novels, golf tee game (made by one of the husbands in DUMW), Bibles, poems and a small pillow. One of our pastors always blesses the bags before they are taken to the hospitals.

This gift of love brings a smile to the patient's face as they prepare for their treatment. We have received many notes from patients that we do not know thanking us for this kindness.

If you would like to make a donation to purchase items you can make a check to Destin United Methodist Women and send to the church.

Thank you for your help and prayers.
